Instructor is David. He is a former cruiser and long time local resident. Great guy, always positive. Speaks good English. Teaches on the "Cocoa Beach" motu east of the Stingrays on the north side of Moorea. Easy dinghy ride from Opunohu. Has an amazing custom power catamaran as a teaching/rescue platform (you may have seen it, it's grey and says "DaKine" on the side.)

## Da Spot

Island: **Tahiti**

Tahiti's main kiteboarding school. Located east of Pt. Venus on the shore across from Motu Martin (Matu Aau on some charts). Has more consistent wind than Moorea but is much more crowded, especially on the weekends and afternoons. [⌘ www.daspotkitesurfingtahiti.com/](http://www.daspotkitesurfingtahiti.com/)
