Laundry, Propane, Diesel, Bike rental, Wifi

10-2019 (Counting Stars) Fakarava Yacht Services wasted my time. In communication with them for several days, even communicating 1 hour before the appointment. Anchored in the agreed spot. Then they stopped communicating. I never saw them.

5-2019 (Jacaranda) - We have used them over the years to purchase diesel, gas, refill propane and obtain use of their wifi. We have also rented bicycles from them as well. Have always been responsive to us and even came by the boat to pick up laundry.

Excellent reports from numerous yachts that have used Laurent. Speaks English

10-2019 SV Amilie We first used PYS when Oyster retained him as yacht agent for the 2013/4 Oyster World Rally We contacted him, again, when in Mexico before departing for Nuka Hiva last Spring 2018 PYS use Kevin (NHYS) in Nuka Hiva and our Fuel Duty Free Certificate were available on arrival, together with Kevin sorting out the paperwork for our entry in FP Marina Taina seems to be pretty well booked up whatever time of year & we've met many cruisers who've been denied berths and moorings because fully booked. PYS have arranged our bookings and we've always been allocated a berth. We were recommended Matt Rigging Services when in Marina Taina, again he seemed constantly booked up, when we contacted PYS we were on the schedule and it was worth the 10% fee charged for going through Laurent. We've had occasion to import spares, new sails & a new generator over the past 18 months, each time PYS have sorted clearance at Customs and delivery to Marina Taina within 24 hours of goods arriving in Papeete Airport. As an avid cigar smoker I found myself ordering cigars through PYS to fly them to Rangiroa. They were bought at wholesale, not retail, and even including the 10% buyers fee and freight to Rangiroa they were 30% cheaper than the shop in Papeete. If you want to enjoy cruising these beautiful islands & minimise the time waiting for spares & services we highly recommend using PYS."

Handles the Oyster Rally when it comes thru.

8-2019 No longer affiliated with STH but now is independent. Dominique is a diesel and electrical mechanic... He lives on Moorea, but works in Papeete. He is associated with STH in Papeete and they had referred us to him when we had engine issues in Moorea. He came out on a Sunday to our boat to help us. When we continued to have issues he met us at the dock when we arrived in Papeete for further diagnosis and repairs. Great service. Speaks English and French. I'm not sure if he is an STH employee or a sub contractor, but there is some connection to STH (Yanmar dealer. SV Airborne

2-2022 SV Siyeza We recently replaced our Starboard Yanmar engine on our Leopard 46, in [Tahiti](#).[Just](#)

a heads up to the agents at STH [STH Marine](#). They were great to work with and very knowledgeable. Their mechanic Bryan is now permanently stationed at Marina Taina just behind the STH Marina retail shop. The Chief Technician based in Town is Florian, Very experienced and lots of knowledge

10-2019 SV Panache STH Marine did the 1,000-hour service on our Yanmar diesel engines. The mechanics were good, but their manager gave them the wrong manual and then interpreted it incorrectly. They set my valves incorrectly. It took me weeks to convince them that they were wrong. They finally relented, agreed I was correct and fixed their mistake. I wonder how many boats in Tahiti are operating with the wrong valve settings.
