Christian speaks some English. Carpentry, Fiberglass & Spraying 8-21 SV Airborne We have had Christian do a couple of jobs for us in the last four months. The first was to cut a new nav panel with all the holes for radios, and MFD pre-cut. He knew we were going to do a carbon wrap so he finished it so there were no surface imperfections that would show through the wrap. The workmanship was perfect and was on time. The second was a set of teak bow pulpit seats on our catamaran. Again, the workmanship was excellent. He is not cheap, but the products delivered are excellent and on time. I highly recommend him" Recommended by the 2016/2017 Super Yacht Guide. I just saw a spar he painted and it looked terrific (Jacaranda 2017)
