Charts/cruising guides

Chart Locker Satellite Images of SP

Island: **Tahiti**

□□ brucebalan.com/chartlocker/

Charts based on Navionics, Google Satellite, and Bing Satellite are now available for all of French Polynesia, the Pitcairn Islands, and Rapa Nui. Additional information is available including the exact size of each zip file -- this can help in case of download errors. The notes section gives more information about each file and the "HOW TO USE THESE FILES" section has been updated

FP Charter Sailing Instructions and Charts for the Leewards

Island: **TahitiWe have** charts available for the Leewards which we have posted on our google drive. Including sailing instructions from the charter company. Hopefully these will help you. Titled "FP Sailing Instructions & Charts for the Leewards" □□ www.jacarandajourney.com/other-good-stuff
