- As at January 1, you don’t need a doctor’s prescription to get a Covid-19 test any more
- if you have symptoms and want a test, go to the Institut Louis Malarde in Paofai, Papeete. This is located at the junction of rue des Poilus tahitiens and rue du 5 mars 1797 - two blocks behind the Paofai Temple (pink church) near Champion goo.gl/maps/P4MMKNS9iUJgZ3wTA.This is open M-F 0730-1500, S-S 0730-1200. Tel +68940416 416/472. Email cov-check@ilm.pf
- follow the signs outside the building for the Covid testing site. Once you find the testing location (clearly marked, on the side street), you go the the first ’station’ where you need to show your ID, and give your phone number (international number accepted). You then go to the next station where you will get tested. They will take two samples. The first is for the rapid test, where results take 15 minutes. Sit in the waiting area until your name is called with the results of the rapid test.
- If the result is positive, you will usually be told to go home and self-isolate.

- If the result is negative, they will send the second of the two samples for testing, which takes up to 2 days.
- you will be given a form with a link to access the test results, including your personal ID and password, and told to isolate until results are in.
- Test results are usually available online within 48 hours but many have been available sooner. You will receive a text once your results are available. 1-21 Part 2 submitted by SV Kini "I felt unwell a few days before Christmas, on a Saturday. I phoned the 15 (SAMU= emergencies), told about my symptoms, the doctor on duty said they might be Covid, instructed me to take paracetamol, and get tested on the Monday. There is a "Kiosque Santé" in front of Paofai Temple. There was zero queue, I was attended by 3 friendly nurses all for myself. Nothing to pay. They did the antigenic test first, which gives a result in 20', or proves nothing, which was the case. Then PCR. Result 2 days later by sms (I was negative). All quick, free, easy and friendly."
