Te Mana Import on the far north side of town industrial area. I met with Pouena Setefano, an Aussie expat with the kings English…first big plus of the day. They work on trucks and large commercial equipment but he was confident his guys could solve AP RAM issues. A couple days later it was done and Pouena agreed to drop it off to us at Taina Marina (he lives 5 min past there on his way home) Their shop rate was 5500 FP/hr they billed 4 hrs and parts and bits and pieces (he also handed me the old pieces and a spare set they ordered) the total bill came to FP 34,610…about $350 USD plus the beer I bought him at the pub.
