11-21 Sv Cream Puff We found in the TCG a store called Pacific Mousse (thank you Linda and Chuck). They do exactly what you are asking. Custom Mattresses. Their prices are very reasonable. They are about 2km from Marina Papeete and they have a delivery service. I was perfectly happy with the quality. They have two choices of foam: Firm and not so firm. Plenty of thicknesses to pick from, and one-day turnaround for custom cuts.

Papeete next to Avis Fare Tony Shopping Center Tipaerui Valley Tavoroa next to McDonalds Titora Mo'orea 2/2023 SV Tavae We bought a firm 15cm foam with a cover from Tahiti Matelas a year ago. I thought we have the foam for a year, and went to the shop to complain. They said to me to try with buying a memory foam topper... Then she said that foam should last for about a year. I gave up. But few days ago I was looking for something and found our bill where actually we saw that foam lost its shape much earlier – it lasted about 9 months. Cover was not tight around the foam as I think it should be. Maybe that was the reason that foam just lost the shape very quickly. The cover is beautiful but very quickly start to form some fabric balls all over the surface. Not nice

on touch. The price was about \$300 for one Queen size bed. 11/21 SV Aldebaran We actually just picked up our custom mattress from Moerani today and I have to say it's nothing but a block of foam no better than the one we had before.

6-21 Tahiti Matelas is a mattress store with 6 locations, including one on Mo'orea. They say their mattresses are "factory direct pricing" and made in Fenua. So if someone wanted a box spring mattress it might be worth talking to them to see if they do custom sizes. Also they sell memory foam toppers and, rare in this part of the world, US "king size" pillows.
