You may want to start with Adrian to begin withHe does Diesels diagnositics, repair, maintenance But also just about everything else. He helped Steve with the autopilot yesterday and its fixed. Found lots of gunk in the fluid. And he also does xantrex inverter/chargers and water makers. He's a good place to start!

2-2020 SV Avatar We would like to give a reference for Adrian Pataki. We have been in FP for 4 1/2 years. We have used Adrian in several capacities over this time. We have had him watch our sailboat, Avatar, when away on a trip to the US. also several mechanical projects, repairs and a gen-set replacement as he is the Beta Dealer for FP. Adrian has always been on time, does what he says he will do. And one of the few Marine Mechanics that I have been in contact with that does not overbook himself. I was in the Auto repair business for over 15 years and have known good technicians and Adrian in my opinion is good, honest, fair and knowledgeable. Shelly and I whole heartedly recommend him.
